VDOT: BASIC WORK ZONE TRAFFIC CONTROL WORKSHOP

TUESDAY - JUNE 26 - 2012

ABC Associated Builders and Contractors, Inc. Virginia Chapter

BROUGHT TO YOU BY THE SCHOOL OF SAFETY AT THE U AT ABC-VA

This one day class is an introductory course in the principles of temporary work zone traffic control. Trainees must complete a written exam and will, upon successful completion with an 80% or above, receive a certification card issued by VDOT (Virginia Department of Transportation).

Work Zone Traffic Control Training is required for anyone who is responsible for work zone traffic control planning, design, implementation, inspection, and/or supervising the selection, placement, or maintenance of traffic control schemes and devices in work zones on the Virginia highway system.

This certification is good for four years.
