ABC Virginia Members Honored at ABC Convention for World-Class Construction Projects

Dulles, VA, March 11 – ABC Virginia Chapter today announced that two members, Allan Myers and Telligent Masonry won national honors during Associated Builders and Contractors' (ABC) 31st annual Excellence in Construction® Awards celebration at ABC Convention 2021 in Grapevine, Texas.

The EIC award honors all construction team members, including the contractor, owner, architect and engineer. The winning projects, selected from entries across the nation, were judged on complexity, attractiveness, unique challenges overcome, completion time, workmanship, innovation, safety and cost.

National Excellence in Construction Pyramid Award Winners

- Allan Myers—South NIT Optimization Project – Stack Construction, General Contractor, Mega-Project Over \$160 Million, Norfolk, Virginia
- Telligent Masonry LLC —Liberty Harbor East, Specialty Contractor, Specialty Construction: Commercial \$2 – 10 million, Baltimore, Maryland

[A full list of EIC winners](#) is available on ABC's website.

###

About Associated Builders and Contractors: The Virginia Chapter of ABC represents the interests of nearly 700 contractors, specialty contractors, and suppliers throughout the Commonwealth of Virginia that supports and believes in the principles of merit shop construction and open competition. Merit Shop is a way of doing business in which companies' reward employees based on performance and encourage them to reach their highest level of achievement, and in which contracts are awarded based on safety, quality, and value, regardless of labor affiliation. An open marketplace creates efficient, cost-competitive projects, safe work sites, comparable wages and workforce training. For more information, visit our website at www.abcva.org.
