

## **Gregory Ramirez Promoted to Vice President**

1/4/2021

Gaithersburg, Maryland

Henley Construction is proud to announce the promotion of Greg Ramirez to Vice President.

Greg joined Henley Construction Company, Inc. in February 2018 as Project Executive and has consistently demonstrated his dedication to the company with his positive attitude, willingness to be a mentor to others as well as being actively involved in all aspects of daily operations and future planning with Henley's team's success being paramount.

Buddy Henley, President, had these thoughts to share on Greg's promotion, "Greg has proven to be an excellent asset not only to the Henley Management Team but a great role model for all our employees. His tireless work ethic and dedication makes this promotion well deserved."

In his new role, Greg will be engaging and overseeing business opportunities in coordination with the Business Development/Marketing and Estimating departments. He will work to translate the company's business objectives into marketing strategies that drive revenue. He will continue to ensure that our clients receive a finished project that meets their expectations as well as Henley's.

Henley Construction is a family owned Construction Manager and General Contractor in the Mid-Atlantic region for fifty-seven years. Our team builds quality projects, through proactive solutions, experience, and personal attention to detail, because we believe where we live and work matters.
