IA/MMA ANNOUNCES OUR LATEST PROMOTION!

Insurance Associates, a Marsh & McLennan Agency LLC Company, is proud to announce our latest promotion: Tracy Kenestruck, to Client Service Manager.

In her new role, Tracy will be working with our Client Service Advisor team to ensure that we continue to provide our clients with the highest level of customer service. She will be responsible for developing and streamlining current processes and procedures to ensure work flows are as efficient as possible and she will also help create a more cohesive and collaborative environment for our Client Service Team. We are very excited

for Tracy to take on this new role.

“I am very excited for new ways to help our clients make their experience as seamless as possible. We have many new tools now available through our partnership with MMA that we will be able to utilize to continue to provide value to our end-consumer,” said Kenestruck.

Tracy joined Insurance Associates in 2014 but has worked in the insurance industry for over forty years in many different capacities. Tracy works closely with our clients, insurance companies and vendors to ensure that the employee benefit plans run smoothly and effectively.

About Insurance Associates, a Marsh & McLennan Agency LLC Company

IA, a MMA LLC Company, is locally based with the resources and backing of a national agency. There are offices in Rockville, Fairfax, Laurel and Towson and the agency has been advising and protecting clients for over 60 Years! IA, a MMA LLC Company prides itself on having one of the most competent, experienced, and knowledgeable workforces of any agency in the area. The agency works with clients in all industries for their group benefit packages and personal insurance, but their expertise is in the construction industry for business insurance and surety bonding. For a little bit about what makes IA, a MMA LLC Company so different from the rest, [click here for Employee Health & Benefits](#), [here for Business Insurance](#), and [here for Surety Bonding](#) and learn the IA, MMA difference!
