Kinsley Earns Award for Innovations in Safety

York, Pa., Sept. 25 – [Kinsley Construction, Inc.](#) is proud to announce they have recently earned [Raffles Insurance LTD's](#) Pacesetter Award for their innovations in safety and lost control. In addition to the award, John Kotchish, Kinsley employee, was also recognized as the Risk Control Manager of the Year.

“We are honored to receive an award that represents what it means to embrace a safety-first culture,” said Rich Brooks, Safety Director at Kinsley. “This could not have been accomplished without our employees’ commitment to safety.”

Raffles Insurance LTD considers over 400 client companies each year for the award and reviews each companies’ safety program and reported losses. Kinsley’s Safety Program was recognized for its proactive approach to promote the policies and procedures that help minimize risks inherent to construction work.
