LANIGAN, RYAN, MALCOLM & DOYLE, P.C. NAMED IN BEST ACCOUNTING FIRMS TO WORK FOR

Lanigan, Ryan, Malcolm & Doyle, P.C. has been named one of *Accounting Today's 2018 Best Accounting Firms to Work For*, marking the **8th time the firm has made this distinguished list in the last 10 years.**

This survey and awards program is designed to identify, recognize and honor the best employers in the accounting profession, benefiting its economy, workforce and businesses.

Eligibility for participation in the program required the following of all firms:

- Must be an accounting firm
- Must have a facility in the United States
- Must have a minimum of 15 employees working in the United States
- Must be in business for a minimum of one year

This honor is given to only 100 accounting firms across the country, each evaluated for employee experience (worth approximately 75% of the total evaluation) and company workplace policies, practices, philosophy, systems and demographics (worth approximately 25% of the total evaluation). Evaluations were based on a two-part survey completed by both employees and employers; final combined scores of this survey determined which firms made the final list, as well as their ranking. The survey process and data analysis was conducted and managed by the Best Companies Group.

“The firms on this list represent the best workplaces in the accounting profession,” said Accounting Today Editor-in-Chief Daniel Hood. “They are outstanding places to build a career.”

Final rankings of this year’s list will be announced in November. For more information on *Accounting Today’s Best Accounting Firms to Work for* program, visit www.BestAccountingFirmsToWorkFor.com.
