**Brown Edwards Recognized as a Top 50 Construction Accounting Firm  
by Construction Executive Magazine**

Brown Edwards is proud to be recognized by *Construction Executive* as one of the “Top 50 Construction Accounting Firms.” This is the second year for the firm. *Construction Executive* magazine is the leading source of news, market developments, and business issues affecting the construction industry. The firm is also among the Top 10 Accounting Firms by total of employees in US with CCIFP (Certified Construction Industry Financial Professional) certifications and the only accounting firm on the list based in Virginia.

“Serving the construction industry is a key area of expertise for our firm,” said Jason Hartman Brown Edwards CEO. “This top 50 ranking and our being identified as a national leader in CCIFP certified employees is an indication of our focus on committing to the long term success of our construction clients. This industry, as do many others, faces many hurdles in today’s economic environment. But with the talent we have in place, we are confident we can prove to be a valuable partner.”

###

Brown Edwards has a history of over 50 years of serving the construction industry, and is one of the Top 100 public accounting firms in the nation. The firm has offices across Virginia, West Virginia and Tennessee with a dedicated staff of professionals including 11 CCIFPs.
