

## Safety Is Our Mission

We are the Voluntary Protection Programs Participants' Association (VPPPA). Every VPPPA member has at least one thing in common: a passion for safety and health excellence. Membership in VPPPA provides something for everyone in the safety industry. Featuring resources for both blue- and white-collar workers to learn, network and grow professionally, VPPPA is here for you to advance in your field.

You definitely do not need to be part of a VPP site to join our association or attend one of our events. We welcome anyone interested in learning more about safety and health.
