About ABC-VA

The Virginia Chapter of Associated Builders and Contractors is a statewide, pro-business association representing construction and construction-related firms, with offices in Dulles, Richmond, and Hampton Roads. **ABC-VA is the only association in the Commonwealth that is dedicated to representing the interests of merit shop contractors.**

Our membership represents a broad range of contractors from the hometown local contractor to the large global construction management firm. **ABC-VA equally represents the general contractor, subcontractor, material supplier, and industry professional.**

We are the leading provider of **networking, education, political advocacy, and service** to the commercial construction industry. Our association employs a professional staff providing services to protect your rights, train your workforce, provide your firm with business development opportunities, and increase your profitability.

The ABC-VA Mission

To provide value to Virginia's construction community through education and training, networking, and political advocacy in a way that promotes the merit shop philosophy and free enterprise, maximizes our members' success, and enhances our industry's image so that our members and their employees prosper.
