CROESSMANN & WESTBERG, P.C. ANNOUNCES NEW PARTNER

JANUARY 6, 2020, WARENTON, VA. - Croessmann & Westberg, P.C. is pleased to announce that Philip R. Croessmann has joined the firm on a full-time basis. For the past eight years, Mr. Croessmann has served as the Global Director of Risk Management Services and General Counsel for MWH Constructors, Inc. (MWH), a global leader in the construction and design/build of water infrastructure projects. He will continue to serve as outside general counsel for MWH.

With over 35 years in the AEC community, Mr. Croessmann's practice will focus on structuring and mitigating risk on large infrastructure projects; assisting AEC companies with corporate governance and risk management and dispute resolution. He will also provide due diligence services of AEC companies as part of the firms M&A practice and the development of Waste-to-Energy projects.

Croessmann & Westberg, P.C. is a full-service business and litigation practice with a strong focus on construction, real estate and design. For more information about the firm's practice, visit www.CWattorney.com
