WHY INVEST IN APPRENTICESHIP?
Our industry faces a shortage of skilled workers. Companies that invest in employee development through apprenticeship programs attract a quality workforce of loyal and highly-skilled employees. ABC-Virginia has a long history of providing high quality, student-centered learning. Our goal is to give individuals the opportunity to learn a trade, become skilled crafts professionals, earn a good living, and build Virginia.

CHOOSE ABC-VA APPRENTICESHIP
This apprenticeship program consists of two years or 4,000 hours of on-the-job training (OJT), and approximately 300 hours (150 hours per year) of related classroom instruction. OJT is administered by the student’s employer. Related-classroom instruction is provided and administered by ABC-Virginia, which provides participating employers with Advisory Apprenticeship Program Standards. Employers sending their employees to ABC-Virginia’s related classroom instruction for their apprenticeship training program must register as apprenticeship program sponsors and must register their employees with the Virginia Department of Labor and Industry (DOLI) as apprentices.
