

ELECTRICAL APPRENTICESHIP TRAINING PROGRAM

TIDEWATER ELECTRICAL CONTRACTORS ASSOCIATION [TECA]
2022 - 2023

WHY INVEST IN APPRENTICESHIP?

It is no secret that our industry faces a shortage of skilled workers on the horizon. Companies that invest in employee development through apprenticeship programs attract a quality workforce of loyal and highly-skilled employees.

CHOOSE ABC-VA APPRENTICESHIP

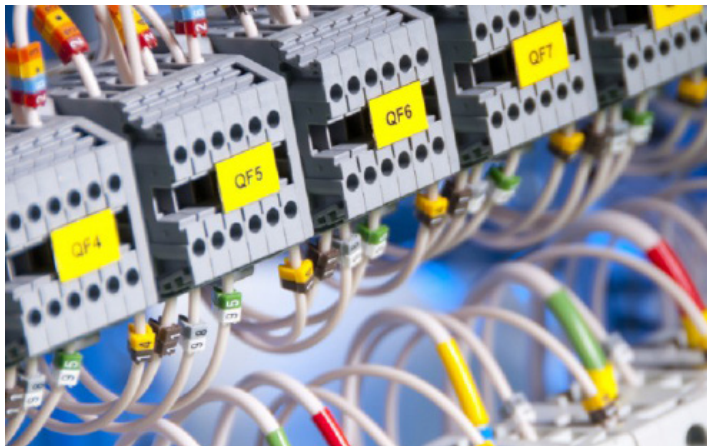

ABC-VA has a long history of providing high quality, student-centered learning with an emphasis on hands-on training. Our goal is to give individuals the opportunity to learn a trade, become skilled crafts professionals, earn a good living, and build Virginia. Through our educational affiliate, National Center for Construction Education and Research (NCCER), we use Contren, a competency-based, task-driven, and nationally recognized curriculum. ABC-VA instructors are required to complete a formal certification in order to ensure consistent delivery of the curriculum. The Tidewater Electrical Contractors Association (TECA) Council represents the participating employers and works with ABC-VA staff to oversee the program. This council has shown an unwavering commitment to making certain the program is on the cutting edge, meeting today's workplace needs.

ELIGIBILITY FOR APPRENTICESHIP

Apprentices must be at least 18 years of age, employed in the electrical field, physically able to perform the work for the electrical trade, able to read and write in English, and have a high school diploma or GED equivalent. Participation in TECA will be strictly limited to apprentices that are employed by companies that are duly licensed as electrical contractors in Virginia.

PREREQUISITES

All incoming Level 1 students will be required to take a math assessment. Students without a passing grade will be required to attend a mandatory math tutoring course at ABC-VA prior to the course. Exact dates to be determined. Price will be determined by the number of students enrolled.

RELATED TRAINING

By providing employers with the Advisory Apprenticeship Program Standards, ABC-VA delivers the related classroom training component of apprenticeship.

DEPARTMENT OF LABOR REGISTRATION

Employers must register as apprenticeship program sponsors, and must register their apprentices on an individual basis with the Virginia Department of Labor and Industry (DOL). Contact Maynard Stowe (757-455-0891 ext. 453) or Delores Ferrell (757-455-0891 ext. 452). Without this DOL registration, a student is not considered an apprentice in the state of Virginia.

2022 - 2023 TUITION

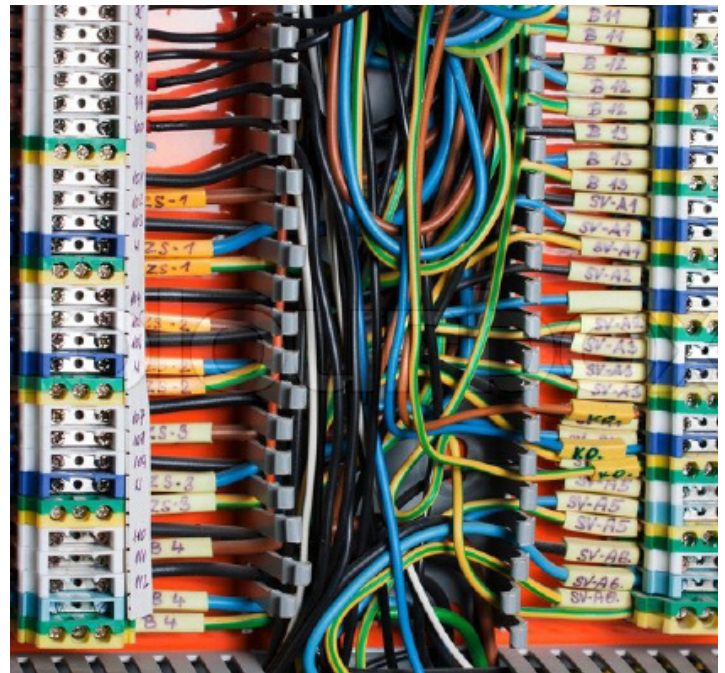

Tuition is due annually. Apprentices employed by ABC-VA members receive a discount. Tuition includes lab, materials, and administrative fees. Tuition must be paid in full before apprentices will be enrolled.

ABC-VA MEMBER TUITION: \$1,575

NON-MEMBER TUITION: \$1,875

DEADLINES

Enrollments received after July 29, 2022, will incur a late fee of \$50. ***Classes are closed to new enrollment after Friday, September 2, 2022.*** There are absolutely no refunds after Friday, September 2, 2022.

ELECTRICAL APPRENTICESHIP TRAINING PROGRAM

TIDEWATER ELECTRICAL CONTRACTORS ASSOCIATION [TECA]
2022 - 2023

2022 - 2023 APPRENTICESHIP SCHEDULE

The term of apprenticeship consists of four years or 8,000 hours (approximately 2,000 hours per year) of on-the-job training, and four years or 600 hours (approximately 150 hours per year) of related classroom instruction. OJT is administered by the student's employer. Related classroom instruction is administered by ABC-VA.

LOCATION

Classes will be held at the ABC-VA Hampton Roads Training Facility located at 5505 Robin Hood Road, Suite D, Norfolk, VA 23513.

CALENDAR

A comprehensive calendar schedule for the 2022-2023 session will be sent to the employer after registrations have been processed. Students will receive a hard copy of the schedule the first night of class.

Levels one through four will begin the week of August 29, 2022.

2017 NEC BOOK

Students must arrive on the first day of class with a copy of the 2017 NEC book. NEC books are not included in tuition costs.

COURSE CONTENT
