Welcome Christopher & Jennifer!

At Lanigan, Ryan, our focus for the past 30 years has been simple and consistent: transforming good construction businesses into great ones by helping our clients develop, grow, and prosper.

Nothing gives us greater satisfaction than seeing our clients grow, except seeing our people grow and prosper. Providing the education and resources to our team members to allow them to engage with and assist our clients in a meaningful way and advance their careers in the process, is the reason why we believe our firm continues to grow alongside the businesses that we guide. This is also one of the many reasons why we think our firm is one of the best accounting firms to work for (and *Accounting Today* agrees, having named us a Best Accounting Firm to Work For, 8 of the last 10 years).

Are you the next superstar to join our team? We'd love to hear from you. Check out our [careers page](#) to find out more.
