

# DRYWALL APPRENTICESHIP TRAINING PROGRAM (DAYTIME)

## NORTHERN VIRGINIA 2022 - 2023

### WHY INVEST IN APPRENTICESHIP?

Our industry faces a shortage of skilled workers. Companies that invest in employee development through apprenticeship programs attract a quality workforce of loyal and highly-skilled employees. ABC-Virginia has a long history of providing high quality, student-centered learning. Our goal is to give individuals the opportunity to learn a trade, become skilled crafts professionals, earn a good living, and build Virginia.

### CHOOSE ABC-VA APPRENTICESHIP

This apprenticeship program consists of two years or 4,000 hours of on-the-job training (OJT), and approximately 300 hours (150 hours per year) of related classroom instruction. OJT is administered by the student's employer. Related-classroom instruction is provided and administered by ABC-Virginia, which provides participating employers with Advisory Apprenticeship Program Standards. **Employers sending their employees to ABC-Virginia's related classroom instruction for their apprenticeship training program must register as apprenticeship program sponsors and must register their employees with the Virginia Department of Labor and Industry (DOLI) as apprentices.**

### ELIGIBILITY FOR APPRENTICESHIP

Apprentices must be at least 18 years of age, employed in the drywall field, physically able to perform the work for the drywall trade, able to read and write in English at an eighth grade level, and have a high school diploma or GED equivalent.

### DEPARTMENT OF LABOR REGISTRATION

**Employers must register as apprenticeship program sponsors, and must register their apprentices on an individual basis with the Virginia Department of Labor and Industry (DOLI) at (703) 392-0900.
